

Mes Souvenirs d'Enfance

VoiceThread Instructions

****If you are using a mobile device to access **VoiceThread**, you must download the app before following the directions below.****

1. Go to [Schoology.com](https://www.schoology.com)
2. Go to "Recent Activity" in the "Updates" and click on "VoiceThread" link
4. Click **Login** (top right corner) :

username: your FHSD email

password: francis

6. Click on **Create**.
7. Click **Add Media** and choose the location of your files to add your pictures.
-You should add a different photo to represent the each of your memories.
8. Add **narration** by clicking on the + sign under the photo
-You may have to click on **Comment** in order to narrate your image.
9. Click on the microphone and **begin speaking**.
-Record separate narration for each image.
10. Remember to click **SAVE**.
11. Once you have finished, click on **Share**

Très important!!! Do both of these things! **Under "Who has access", change the settings so that anyone can comment.**

-share with me (april.burton@fhdschools.org)

-Click the (+) next to "Contacts" in order to add me as a contact.

-Click on our **your class**.

In order to submit your assignment:

We are submitting on Edmodo, so that we can share with our "amis français"!!

1. Post to Edmodo (post to both **Burton-Fourcade** AND Français 2 et les **correspondants**)
2. Type your message: _____
3. Click on the "LINK" icon and post the link to your VoiceThread
You can get the link for your VoiceThread by:
